# Dedications

Miss Hibbard and a group of young people at Gatlinburg, Tennessee.

Miss Hibbard gets to go to Mount Rushmore with some of her students.

Miss Hibbard has the opportunity to chaparone these students, who won a trip to ground zero in New York City.

At a very young age Pam Hibbard surrendered her life to work with the young people from Chicago. Little did she realize exactly what God had in store for her life. She has made herself to be an excellent role model, friend, and confidant with little thought to herself.

Pam Hibbard was born on August 20, 1955. Bro. Hyles won her dad to Christ, and they started attending church the next Sunday night. In 1962, at the age of seven, she walked the aisle for salvation and was baptized that same night. Shortly after graduating from Hammond Baptist High School, Pam Hibbard began teaching Sunday school, and is currently in her 30th year of teaching. While attending Hyles-Anderson College, Miss Hibbard, along with many others began begging God for a school for buskids. What they wanted so badly seemed an impossible miracle, but through the work, burden and heart of Bro. Hyles, that miracle became a reality in 1978. Miss Hibbard is currently in her 25th year of teaching at City Baptist High School. Pam Hibbard has helped to start and run the Sunday Afternoon Program for girls for 29 years. These ladies are taught music, crafts, etiquette, sewing, cooking, Bible and Christian character.

God has used Pam Hibbard in so many ways to mold a multitude of lives. Rosa Menjivar, a 2003 graduate said, "Miss Hibbard never once gave up on me which is why I never gave up on myself." Pam Hibbard takes it as a personal challenge to make everyone feel special. Thank you Miss Hibbard for showing us how much fun it can be to change lives.

This year was a great year for our sports program at City Baptist. For the first time, we were able to have an interscholastic sports program in addition to our intramural program.

Our first sport of the year was soccer. For a first year program, we had a fantastic year. Our team went 3-4 in our first season; and by the end of the season, we were really playing well.

In our last game of the season, we lost in three overtimes and two shoot outs to a team that beat us by six points earlier in the season. The progress we made during the course of the season was phenomenal. The boys played their hearts out all year, and it was the honor of my life to be a part of this program.

The Overcomers finished the season with record of 15 - 8 !!

The 2002-2003 basketball season was a great success. This being our first year to have a sports program, there were many struggles, but over all the season was a huge success.

We started the season with a bad loss to Baptist Academy in Indianapolis, IN. Our resiliency soon showed however, and in a few weeks we had won enough games to give us a winning record.

One of the most memorable times of the season took place in Milwaukee, WI. We were in our first tournament, the Badger State Tournament. We won four straight games to take first place in our very first tournament! In the championship game, we were down by five points with less than a minute left. We scored five straight points to win the game in the final seconds.

I can not put into words what a wonderful experience this year has been. I look forward to many great years to come.

-Coach Louis Allen-
